Overview

Joshua Feathers is a Risk Advisor who works with business leaders, nonprofit directors, and reglious institutions to identify organizational risks and develop strategic solutions to help mitigate those exposures. By evaluating each organization's unique challenges and goals, Josh helps clients implement risk management strategies and present comprehensive plans to insurance underwriters.

Having joined Gilbert's Risk Solutions in March 2022, he brings more than two decades of experience spanning insurance, nonprofit leadership, claims management, pricing, and product development. His diverse professional background provides valuable insight into both the operational and risk management challenges organizations face.

Following college, Josh began his career with Fidelity National Insurance Company, where he spent seven years working within the company's pricing and product development group. He later served for five years with a mission-driven nonprofit organization before returning to the insurance industry, where he spent eight years working in claims. These experiences have equipped him with a unique perspective that allows him to serve clients from both operational and insurance viewpoints.

Josh specializes in working with nonprofit organizations, manufacturers, and construction firms. His experience in the nonprofit sector gives him a particular appreciation for mission-focused organizations and the challenges they face in achieving their goals. He also enjoys partnering with manufacturing businesses, recognizing the important role they play in supporting local communities and driving regional economic growth

He earned a Bachelor of Arts in Theology and Cross-Cultural Missions from Trinity College of Jacksonville in 2006. He has also completed the Trusted Risk Advisor program and holds the TRA designation, further strengthening his ability to guide clients through complex risk management decisions.

Outside of work, Josh enjoys spending time with his family. He resides in Champion, Ohio with his wife, Joanna, and their daughters, Piper and Allegra.
